

These hands ain't the hands of a gentleman.
These hands are calloused and old.
These hands raised a family, these hands built a home.
Now these hands raised to praise the Lord.
These hands won the heart of my loved one.
And with hers they were never alone.
If these hands filled their task then what more could one ask.
For these fingers have worked to the bone.

Now don't try to judge me by what you'd like me be.
For my life ain't been much success.
While some people have power but still they grieve.
While these hands brought me happiness
Now I'm tired and I'm old and I ain't got much gold.
Maybe things ain't been all that I planned.
God above hear my plea when it's time to judge me.
Take a look at these hard working hands.
(God above hear my plea when it's time to judge me)
Take a look at these hard working hands.

Isaiah 40:31

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint.
