

## *Gentle Woman*

This gentle woman you see at rest  
Humbly endured life's every test.  
Her model of patience was certainly best.  
Those who knew her were truly blessed.

She possessed that special touch  
A crying baby she could shush,  
Feed an army at a moment's rush  
Or soothe the family she loved so much.

You never left her home a stranger.  
The warmth and laughter made you linger.  
A smile, a word, a pat so tender  
Gently holding us all together.

She was the essence of our lives  
The core, the center, the tie that binds.  
The everlasting love so kind  
That fills our hearts, our souls, our minds.

God knows each one in great detail.  
Her body is no longer frail  
For she has crossed this mortal veil  
And joyfully walks God's garden trail.
