

I am with you in your sorrow and happiness. I am with you always. I cry with you in your times of sorrow and laugh with you in your times of happiness. I am the peace you feel in your heart. I made you in love and you return to me to be loved and to love me. My peace I give to you today so you can continue to help others and to find joy again.

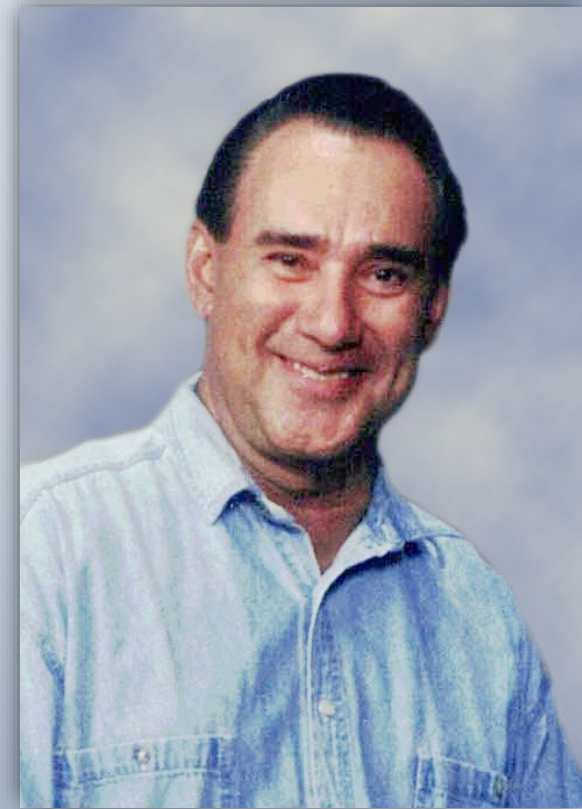

I am the giver of all good things.

- Inspiration given to Frank's daughter, Mashell, after his passing

“There are some who bring a light so great to the world that even after they have gone, the light remains.”
