

## *Mother*

I know a woman of strength and beauty.

I have watched her for years,

learned from her,

been cared for by her,

been loved by her in a way that no

one else could ever love me.

She has been my guide,

my protector,

my inspiration,

and most important,

my friend.

She will always be these things. . .

She will always be in my heart. . .

She is my Mother.

She is you.

In Loving Memory
