Mother

I know a woman of strength and beauty. I have watched her for years, learned from her, been cared for by her, been loved by her in a way that no one else could ever love me.

She has been my guide, my protector, my inspiration, and most important, my friend. She will always be these things. . . She will always be in my heart. . . She is my Mother. She is you. In Loving Memory

Sue Ellen Keller
