

The moment that you left me

My heart split in two,
one side filled with memories,
The other side died with you.
I often lay awake at night when
the world is fast asleep,
I take a walk down memory
lane with tears upon my cheek.
Remembering you is easy.
I do it every day, but missing
you is a heartache that never
goes away.
I hold you tightly within my
heart and there you will
remain.
You see life has gone on without
you but will never be the same.

We will never forget you
Love you forever? Always
