## *Little Arrows*

By Leapy Lee  
1968

There's a boy a little boy  
Shooting arrows in the blue  
And he's aiming them at someone  
But the question is at who.  
Is it me or is it you  
It's hard to tell until you're hit  
But you know it when they hit you  
'Cause they hurt a little bit.  
Here they come  
Pouring out of the blue  
Little arrows for me  
and for you  
You're falling in love again  
Falling in love again.  
Little arrows in your clothing  
Little arrows in your hair  
When you're in love you'll find  
Those little arrows everywhere  
Little arrows that will hit you once  
And hit you once again  
Little arrows that will hit everybody  
Every now and then.  
Oh oh oh the pain.  
Some folks run and others hide  
But ain't nothing they can do  
And some folks put on armor  
But the arrows go straights through.  
So you see there's no escape  
So why not face it and admit  
That you love those little arrows  
When they hurt a little bit.  
Here they come pouring out of the blue.
