

In Loving Memory

I am grateful for my posterity and for the goodness of your lives.

I know our Heavenly Father loves each of us. He has blessed us that we live in this choice land.

I love the Book of Mormon. I listen to it many hours and I know it is the word of God. I know that it was translated from the Holy records by the Prophet Joseph Smith by the power of God for us in these latter days. I know that through the Prophet Joseph Smith that the gospel of Jesus Christ was to the earth.

My membership in the Church of Jesus Christ of Latter Day Saints is most precious to me. I know that Jesus Christ is our Savior and that He accomplished the great atonement for the benefit of all of us.

I pray that we may all be successful in enduring the trials of life this tender life and gain our salvation.
