

Until We Meet Again

*Those special memories of you
will always bring a smile.
If only I could have you back,
for just a little while.*

*Then we could sit and talk again,
Just like we used to do.
You always meant so very much
and always will too.*

*The fact that you're no longer here
will always cause me pain,
But you're forever in my heart
until we meet gain.*
