

### *Mother*

I know a woman of strength and beauty.

I have watched her for years,  
learned from her,  
been cared for by her,  
been loved by her in a way that no  
one else could ever love me.

She has been my guide,  
my protector,  
my inspiration,  
and most important,  
my friend.

She will always be these things. . .

She will always be in my heart. . .

She is my Mother.

She is you.
