

Just Begun

Her journey's just begun.

Don't think of her as gone away.

Her journey's just begun,

Life holds so many facets, this earth is only one.

Just think of her as resting,

From sorrows and tears,

In a place of warmth and comfort,

Where there are no days nor years.

Think how she must be wishing, the we could know today,

How nothing but our sadness can really pass away.

And think of her as living, in the hearts of those she touched.

For nothing loved is ever lost, and she was loved so much.
