

Life Well Lived

A life well lived is a precious gift,
Of hope and strength and grace,
From someone who has made our world
A brighter, better place.
It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared,
And laughter through the years.
A life well lived is a legacy,
Of joy and pride and pleasure,
A living, lasting memory
Our grateful heart's will treasure
