

I Lived (by One Republic)

Hope when you take that jump you don't fear the fall
Hope when the water rises you built a wall
Hope when the crowd screams out it's screaming your name
Hope if everybody runs you chose to stay

Hope that you fall in love and it hurts so bad
The only way you can know you give it all you have
And I hope that you don't suffer but take the pain
Hope when the moment comes you'll say

I, I did it all; I, I did it all
I owned every second that this world could give
I saw so many places the things that I did
Yeah, with every broken bone I swear I lived

Hope that you spend your days but they all add up
And when the sun goes down hope you raise your cup
Oh, Oh, I wish that I could witness all your joy and all your pain
But until my moment comes, I'll say

I, I did it all; I, I did it all
I owned every second that this world could give
I saw so many places the things that I did
Yeah, with every broken bone I swear I lived
