

Mother

I know a woman of strength and beauty.

I have watched her for years,
learned from her,
been cared for by her,
been loved by her in a way that no
one else could ever love me.

She has been my guide,
my protector,
my inspiration,
and most important,
my friend.

She will always be these things. . .

She will always be in my heart. . .

She is my Mother.

She is you.
