

Do not grieve too long for me,
for I have found my rest.

The journey here has ended,
but my soul has found its home.

When you feel the quiet moments,
know that I am near.

In every gentle breeze that touches you,
my spirit whispers peace.

Remember the laughter we have shared,
the lessons and the love.

Hold them close within your heart,
and I will never be far away.

So walk with courage, live with hope,
and let your light shine strong.
